Welcome to Solihull Village

We're delighted to welcome you to Solihull Village, an ExtraCare Charitable Trust village.

Set on the outskirts of Birmingham city centre, located in Shirley, our unique village provides a fulfilling lifestyle with everything under one roof. Pick up old hobbies and discover new ones with our weekly activities or make the most of our wonderful facilities.

We believe that later life is a time for doing more rather than less, staying independent and active – and we've got plenty to choose from.

I was motivated to come to Solihull Village because it had everything I need... I have plenty of friends here, all the staff and volunteers are lovely – you aren't lonely anymore. Anyone would be happy here!

Weekly activities

When you feel like getting active and being sociable, our superb range of weekly activities will help you make the most of each day. With so many new like minded friends and neighbours, you'll never be short of things to do. Ask one of the team for our activities schedule.

There's always plenty to do. I love the bistro, I have hardly cooked since I moved in here, it is so reasonable.

Making an impact

Findings from an independent study into healthy ageing carried out by Aston and Lancaster Universities (2019) evaluated how our unique model of integrated homes, health and social care makes a real difference to older people's lives.

The research found that after moving in, residents felt a significant improvement to their physical and mental health.

Light and spacious apartments

All homes at Solihull Village provide independent living as part of a wider, bustling community.

Each home has been thoughtfully designed to enhance your life. We've thought about every last detail so you don't need to worry about a thing. All you need to do is move in and start making memories.
